Controller's Entrepreneurial Activities Questionnaire

EXPLANATION

Various state and federal agencies require that we document, and sometimes report, entrepreneurial activities of our faculty, staff, departments and colleges. Accordingly, we attempt to gather this information annually.

QUESTIONS

1. Have you, your staff, department or college engaged in any moneymaking activities in the current or prior year?

2. Please describe the service provided or product sold that generates revenue from outside companies, agencies or individuals.

3. Is this a new activity this year? Is this activity regularly carried on? If so, is it daily, weekly, monthly, quarterly?

4. What approximately was the gross revenue for prior fiscal year and the costs associated with generating this revenue?

5. Are students involved, and if so, do they receive credit hours for their involvement?

6. Is there a profit motive for this activity? Are you charging market for your services with the intent to make a profit?

7. Who is the most knowledgeable one individual familiar with this activity?
Name _____
